Safe and Sound Togheter

- **Create a pleasant living environment**
- **Together with the tenants**
- **Main objective that we'll be working towards during the year**

Steps to improve our tenants living environment

- Maintaining **fully functioning** lighting in and around your property
- Ensuring broken lightning is repaired within **two working days**
- Taking extra steps to provide energy-smart, reliable lighting solution

- **Identifying and planning** measures to maintain and restore our entrances
- Ensuring the information posted in your stairwell is **clear and up to date**
- **Weekly monitoring** to ensure your entrance is clean and tidy

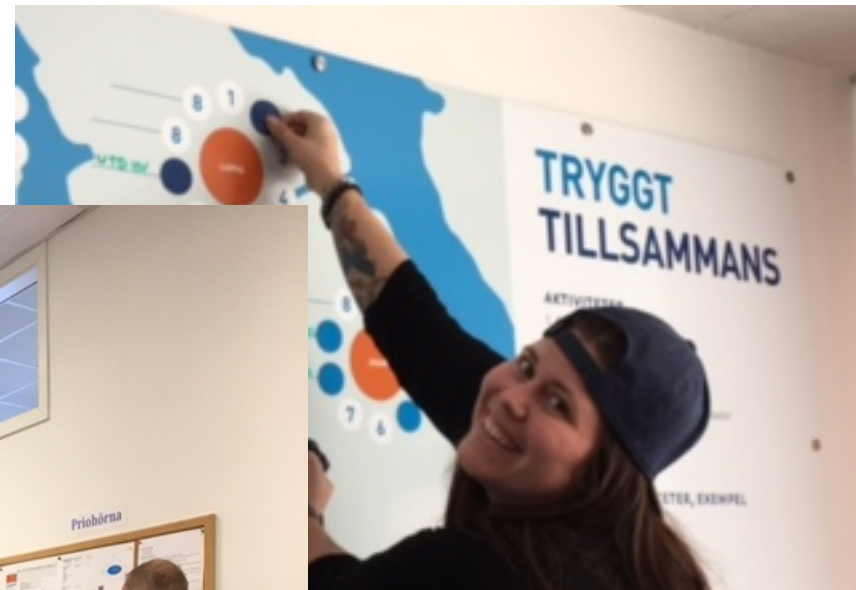

- Carrying out controls to ensure we **only have students** living in our rooms and apartments
- More focus on information which **explains** our subletting rules
- Introducing a new whistleblowing service for anonymous tips
